

# Receive Emergency Alerts & Community Notifications

Saunders County uses a comprehensive emergency alert and notification system powered by **AlertSense**.

To sign up for these alerts and notifications, please go to <http://saunderscounty.ne.gov>. Residents can also download the free AlertSense mobile app for Android and Apple devices, or text your zip code to 37801.

AlertSense allows Saunders County to send:

- Emergency Alerts,
- Severe Weather Warnings
- Community Notifications
- Emergency alerts will come from: 877.957.9563
- Call this number to hear the most recent alert again
- Need help signing up? Email: [help@alertsense.com](mailto:help@alertsense.com)

All Residents and Businesses are urged to sign up today to:

- Receive alerts in the event of an emergency
- Customize the types of public safety alerts, severe weather warnings, and community notifications that you would like to receive
- Share your contact information and alerting preferences (e.g. text message to your cell phone, email, call to your landline phone number)

*\*Registration is especially important for those who use a cell phone or VoIP phone as their primary number, have an unlisted phone number, or who changed their phone number or address within the past year.*

*\*\* Any information you share will remain secure, private and will only be used to deliver emergency alerts or community notifications.*
